

Dear Valued Customer!

Please join us as we celebrate 410 years in the glass blowing business from 1596 to 2006! Our journey continues!

First and foremost, we thank you for your business, loyalty and appreciation of our company and our beautiful German ornaments.

At Inge-Glas®, we take great care to provide you with quality mouth-blown, hand painted glass ornaments, made in our workshop one by one, with love from Germany!

At Inge-Glas®, one of our goals is to be your “glass ornament source”. Take a NEW look in our 2006 catalogs! With the world’s evolving trends, we are aggressively developing new ideas! Exclusive heirloom collections, new gift boxed sets, more ornaments and trims for the holidays, along with gifts to remember special occasions. Life is about creating memories, giving keepsakes and passing on family traditions.

We have been busy, working hard to provide new ideas and product for your store’s gift and trim department, special occasions, holidays and visual displays. Your customers have many reasons for giving gifts and selecting their own personal mementos. Inge-Glas® has gifts for all occasions!

With Inge-Glas’ 410-year-old history, we’re also here to remind you of the importance of honoring old traditions. Many of our ornaments are gifted with our “Legends” brand hangtag – the story behind the gift – which is an added value!

Since 1596...now 14 generations later, the Müller-Blech family, original glass blowing family of Germany, continues to be a company that cares to preserve the quality, history, and tradition of mouth-blown, hand painted glass ornaments for generations and future generations to come; true heirloom quality!

...Our promise...We remain steadfast in creating, building and maintaining an honest, ethical environment with our customers, associates, and business partners. Our sincere desire to encourage open communication amongst all associated with Inge-Glas, to enable our company to flourish. We are committed to and care about our customers and listen...as we constantly strive to improve the quality of our product, customer services and performance, to provide our customers with the absolute best. With dedication and commitment, together, we look forward with positive enthusiasm. With a 410 year foundation, our journey continues!
