

Presenting

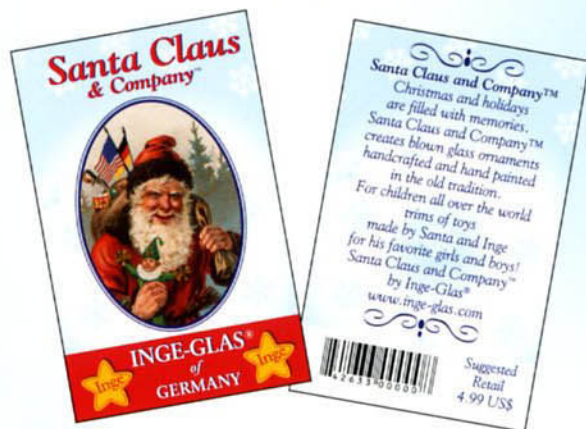

Santa Claus & Company™

The new “retail ready” division of Inge-Glas® of Germany. Our goal is to become your ultimate glass ornament source as we expand our ornament line offering you new choices and new market opportunities.

Santa Claus & Company® is designed with excellent quality, price and convenience in mind. We’ve taken the “work” out of Santa Claus & Company® for the Retailer.

In traditional style, each quality blown glass ornament is hand painted with beautiful detail and topped with our famous “Inge star™” embossed into the star charm dangle, attached to every ornament – our symbol of excellent design and quality combined with true price value.

Pre-ticketed with suggested retail pricing and UPC bar coded on our exclusive Santa Claus & Company® 4-color hang tags.

Order it, display it and sell it! That easy – that simple!

Place your orders in our full-service showrooms, work with your knowledgeable sales representative, or contact us at 800.967.2066 and speak with an Inge-Glas® sales consultant. We care that you receive the quality service you deserve!

Santa Claus & Company® “retail ready”, excellent value, quality design and pre-ticketed. A choice you can count on to grow your business!

Best wishes and happy holidays,
Dorry Wallof, President
North American Operations
